## Two United Players Make it to the Next Level

Graham Basecke, an eighth grader at Pershing, and Heath Melugin, freshman at Kickapoo, both made the Olympic Development Midwest Regional Under 14 Team. They were among the four players from Missouri to make the Midwest roster. This Midwest team will travel to Spain or Italy next Spring. Because they made the Regional Team they both got to compete for a spot on the US National Team.

Basecke and Melugin tried out for the National team in Carson California in the Home Depot Center, home of the Los Angeles Galaxy MLS team. This tryout was the place to be seen. Freddy Adu, the 15 year old professional now playing for DC United, got discovered at this tryout.

Congratulations are extended to both Graham and Heath for taking their soccer to the next level.
