Springfield Soccer Club Claims Lake Country Soccer Fall League Championships

This fall the Springfield Soccer Club claimed five Lake Country Soccer Fall League Championships. On the boys side the Springfield S.C. 00/01 Red (U9), Springfield S.C. 98/99 Academy Black (U11), Springfield S.C. 97/98 (U12), and the Springfield S.C. 95/96 II all brought home hardware. The Springfield S.C. 97/98 Girls (U12) playing in the Under 14 Red Division went undefeated and won first place.

The Lake Country Soccer Fall League allows teams to supplement their fall schedule with a regular schedule of games. Many of the Springfield Soccer Club teams play up an age group in order to be more prepared for tournament play. Also, this fall several Springfield Soccer Club Girls teams played in Boys Divisions in order to increase their level of competition. "With all of the rainouts and reschedules it was a difficult fall season to get any rhythm of play. Luckily, for our players and teams having our own Indoor Facility allowed us to continue to train while others were left out in the rain. The fall season is a big one for us when it comes to development and increasing our standard of play. Having some teams capture championships is just an added bonus as the spring season for our club is more about competition." said Jeremy Alumbaugh Director of Soccer Operations for the Springfield Soccer Club.

All Under 14 and below Springfield Soccer Club teams have resumed training as well as competing in the Springfield Soccer Club Indoor InnerLeague. Congratulations to all of the teams on a fine fall season.

Contact the Springfield Soccer Club Office at 417-832-1552 for more information.
